Personal Statement: I was introduced to softball at the age of 10 and have been in love with the game ever since. Playing softball has taught me how to be a leader, how to work through loses and strive to be better than I was yesterday. My job when I step onto the field is to make sure that I'm being the best teammate I can be by staying positive, win or lose. In my spare time I work with young catchers, helping them improve their game. My dream is to play at the collegiate level and become a Police Officer once I graduate from college.
