Personal Statement: I am an extremely hardworking & dedicated player. One personal characteristic that I feel makes me unique is my energy. Losing or winning, on or off the field, it is my desire to always bring the same positive energy to those around me. It is my goal to receive a degree so I can provide for my family. Playing softball I have learned how strong I am, not only physically but mentally. A coach once told me "softball is a game of failure." I believe this statement not just in softball but in life, you have to lose in order to grow and learn what it takes to be successful.
