**Personal Statement:** Softball is a big part of my life as i am committed to this sport i love. I've been playing since I was 5 years old. I bring a positive attitude each and everyday to all practices and games. This approach along with my dedication, hard work ethic, and being coachable make me a great teammate. I pride myself in being a student of the game and work on my craft daily. i also understand the importance of school and maintaining a 3.8 gpa which is why I've set this as my goal going into my sophomore year.
