### Personal Statement:

Hi, my name is Bella. I am 14 years old. I am a student athlete that strives to be the best both academically and athletically. My dream is to play college ball at the highest level possible and to continue to push myself and those around me to be better than yesterday. I am extremely dedicated to both my studies and softball, and truly believe in always being the hardest worker in the room no matter where I am. I know that as long as I continue to stay focused, work hard, and trust the process, that I will be able to play this sport for many more years to come.
