Personal Statement:

Hello, my name is Taylor Fitzgerald and I am in my Junior year at Elk Grove High School in Elk Grove California. Like many other girls, I love softball, but what sets me apart from every other girl, is that softball is not just a hobby but a way of life for myself and my family. From my parents, to aunts and uncles, cousins and grandparents-coaching and playing sports are in my genes. Whether I'm picking up a volleyball, shooting baskets, wakeboarding or just beating my little brother at a game of corn hole, competition and athletics just come natural. I have always been a versatile 2-3 sport athlete, but at a pretty young age, I realized that softball was where I wanted to focus my strengths and take to the highest level. Softball has kept me goal oriented and is keeping me on a clear path to my ultimate goals of playing in College, getting through Law school and eventually becoming a sports agent where I can help aspiring young athletes like myself become successful. Thank you for your interest in my page.
